Hawkesdale Wind Farm

Project Status

- Wind farm planning permit:
 - ✓ The planning permit amendment has been approved and is available on the web site at <https://hawkesdalewindfarm.globalpower-generation.com.au/the-project/relevant-documentation/>.
 - ✓ Development and management plans required to be endorsed prior to the continuance of the schedule of works for construction have been submitted to the Minister for Planning for approval.
- Connection application & agreements:
 - ✓ Due Diligence Review of the connection application by AEMO in progress

Activities On Site

- Under progress:
 - ✓ The independent Road Quality Auditor has undertaken the pre-construction dilapidation report of nominated roads which will be trafficked by HDWF construction traffic to provide a fair and accurate baseline representation of the pavement condition.
 - ✓ Finalising project scheduling and access with associated landowners.
 - ✓ All of the components (blades, nacelles, hubs and rotors) arrived and are being stored and maintained at Portland.

Transmission Line and Tarrone Terminal Station

- ✓ Foundations for the new 500kV switch gear at Tarrone Terminal Station are complete.
- ✓ Works on the 132kV switchyard at the Tarrone Terminal Station are progressing with foundations almost complete.
- ✓ Transformer yard earthing started whilst new fencing starting to be erected.
- ✓ The Native Vegetation Removal Permit for the transmission line will be submitted to the Department of Environment, Land, Water and Planning for assessment.
- ✓ The final geotech surveys for the transmission line are still to be completed

Further Information

Community Engagement Committee

Hawkesdale Community Engagement Committee is in recess. If any member of the community wishes to raise concerns or to have a query addressed, please contact Debra Dumesny: PH 0428 867 646 or debra.dumesny@globalpower-generation.com.au.

Local Services for Construction

GPG is working with its contractors to identify services that may be able to be contracted locally during construction.

GPG and its contractors' preference is to work with local suppliers and manufacturers where possible, provided they can meet a range of deliverables including safety, quality, reliability, timeframe, and cost. Vestas is proud to share that the services related to transportation, crane work and installation of the projects heavily engage with local workers. In addition to this, the long-term maintenance and operation of the Ryan Corner and Hawkesdale Wind Farms will create several regional and permanent jobs.

The following list is some of the services that will be required by our contractors.

✓ Fuel delivery	✓ Office supplies
✓ Cleaning for established temporary sites	✓ Traffic Control
✓ Local administration personnel	✓ Electricians and plumbers to assist with site setups
✓ Surveying	✓ Toilet / Septic pump out options in the area
✓ Sub-Contractors <ul style="list-style-type: none">o Truck and Dogo Excavator and heavy machineryo Cranageo Floats	✓ Personnel – Machine operators & Labourers
	✓ Catering options, for push periods that can deliver to site
	✓ Water supply (drinkable)

If you are interested in offering your services, please contact our Community Engagement Officer, Debra Dumesny at debra.dumesny@globalpower-generation.com.au.

Employment Opportunities

Please contact our Community and Stakeholder Engagement Officer, Debra Dumesny at debra.dumesny@globalpower-generation.com.au if you are interested in working at Hawkesdale Wind Farm.

Local Accommodation for Construction Workers

As construction commences, short term accommodation will be required for workers. If you have a property that could be used as accommodation for workers, please contact our Community Engagement Officer, Debra Dumesny at debra.dumesny@globalpower-generation.com.au.
